- Provider reviews your medical history and writes prescription for GLP-1, if appropriate
- Zealthy will work with your insurance so that they will pay for your weight loss medication (if prescribed), including GLP-1s
- Access to affordable compound GLP-1 medications without insurance required, as little as \$151/month (compare to \$1,000+ elsewhere); not included in membership
- You will be matched to a coach to build an individualized weight loss program to supplement your medication
- Unlimited messaging with coach and progress tracking
